

HEALinc FUTURE HEALTH INNOVATION SUMMIT

Dr. Desirée Cox, MD, MPhil, PhD
CEO & Founder

Hi, Dr. Desirée here. I trust you are well.

As CEO/Founder of the HEALinc Future Health Innovation Summits, I am writing to share an exciting opportunity with **RIVER PUBLISHERS** as a Sponsor/Partner of the 2023 HEALinc Summit on April 17th – 19th at the Atlantis Resort on Paradise Island, The Bahamas. Join us as we continue to build on the platform established at our Inaugural Summit in 2018. (<https://www.healincsummit.com>).

The HEALinc Future Health Innovation Summits are uniquely positioned and designed to break through the silos in the sciences and create collaborative approaches needed to accelerate access to regenerative medicines, longevity, and increased quality of life for patients with unmet needs. Being a Sponsor/Partner of The HEALinc Summit offers unique branding opportunities for your business alongside scientists, clinicians, healthcare providers, investors, policy makers, regulators, commercial entities, and pharmaceutical companies.

Take a moment to browse our website at <https://www.healincsummit.com> to review the top luminaries, entrepreneurs, and key opinion leaders already committed to speaking at the 2023 Summit. Featured speakers include: Bill Faloona, Dr. Aubrey de Grey (Longevity Escape Velocity (LEV) Foundation); Dr. Cassandra Vieten, Naveen Jain (Viome); and Professor Jean M Hébert (Albert Einstein College of Medicine), Professor Joshua Hare (Longeveron and University of Miami), Professor Tom Rando (Stanford University), Professor David Furman (Stanford and the Buck Institute), Professor Evan Snyder (Sanford Burnham Prebys (SBP) Medical Discovery Institute), Professor Katarina Le Blanc (Karolinska Institute, Sweden) and Professor Michael Levin (Tufts University).

We encourage you to check back for updates, as our list of internationally acclaimed speakers is growing exponentially every week. We'd love to feature your logo as a Sponsor of the Summit when our Early Bird registration opens in January 17th 2023.
