

Dear Farhana and Christopher,

Dr. Desirée Cox here. I hope this message finds you well.

I'm reaching out to follow up on your presentation at the 2024 HEALinc Summit. Professor Rameshwar (Editor in Chief, IJTS) and I were very impressed with your presentation and believe that your insights would make a valuable contribution to our upcoming publication in the International Journal of Translational Sciences. IJTS is already searchable via Google Scholar and will be PubMed searchable by December 2024.

We would be thrilled to include a short review article or chapter based on your presentation. To assist with your submission, we will send you a one-pager outlining the author and chapter requirements courtesy of River Publishers, who we've partnered with on this endeavor.

If you're interested, please let us know. We appreciate your consideration and look forward to the possibility of featuring your work.

Best regards,

Dr. Desirée Cox
